1. The Petitioner Miriam Snyder proceeds by way of an Emergency Order to Show Cause pursuant to CPLR Article 78. Miriam Snyder submits this Proposed Prohibitory/Protective/ Injunction Order in support of her previously filed Verified Petition against the respondents and upon the affidavit of Miriam Snyder sworn to the 13 day of June 10, 2017.
2. It is ORDERED, that the above-named Respondents show cause before a motion term of this COURT, on _____, at _____ o'clock in the noon thereof, or as soon thereafter as counsel may be heard, why an order should not be issued pursuant to Article 78, of the Civil Practice Law and Rules, Sanctioning, Penalizing and Stopping Respondents for egregious and life threatening debt collection acts consistent with the definitions in 18 U.S. Code § 2331, which include acts dangerous to human life that are a violation of the harassment and stalking laws of the United States and New York.
3. Please see exhibit 1. Respondents came to the petitioner's home on June 7, 2016 to harass, terrorize, defame, invade privacy, stalk, intimidate, extract money not owed or due, and criminally coerce. The Respondents are harassing the Petitioner,

They are obstructing the NYS and Federal Constitutional search and seizure provisions to influence the policy of a government by intimidation and coercion.

- 4. Petitioner seeks an order prohibiting the Respondents from coming to her home, particularly in obstruction to the FDCPA and the many letters written to Respondents to keep all communications in writing.**
- 5. Petitioner seeks an order pursuant to GBS § 601 - Prohibited practices prohibiting and penalizing the Respondents for communicating with the Petitioner or any member of her family or household in such a manner as can reasonably be expected **to abuse or harass the Petitioner;****
- 6. Petitioner seeks an order pursuant to GBS § 601 - Prohibited practices prohibiting and penalizing the Respondent for attempting or **threatening to enforce a right with knowledge or reason to know that the right does not exist;****
- 7. Petitioner seeks an order pursuant to GBS § 601 - Prohibited practices prohibiting and penalizing Respondents for using multifaceted un signed, no jurisdiction, driver license suspension simulations, which simulate legal or judicial process suspensions and tax warrants. These Respondent falsified documents, specifically, their unsigned driver license suspension alleged orders, and their unsigned alleged tax warrants, give the appearance of being authorized, issued or approved by a government, governmental agency, or attorney at law when they are not. Petitioner seeks an order against the Respondents pursuant to GBS §602 – for violations and penalties for using these false instruments as authority. The respondents have violated the terms of this article and are guilty of several misdemeanors, and each such violation shall be deemed a separate offense.**
- 8. Petitioner seeks an order pursuant to UCC Section 1--203 - Obligation of Good Faith to reinstate her driver's license record to flawless and free of any no jurisdiction driver license suspensions. Every contract or duty within this Act imposes an obligation of good faith in its performance or enforcement.**
- 9. Petitioner seeks an order mandating the Respondents to refrain from inflicting abusive debt collection practices and revenge for hire tactics, including, assault, stalking, harassment, aggravated harassment, menacing, reckless endangerment, , criminal obstruction of justice, disorderly conduct, criminal mischief, legal abuse, misconduct, intimidation, coercion, exaction, threats or any criminal offense or interference with the Petitioner, or members of her family or household of such victim(s) or witness(es).**
- 10. Petitioner seeks an Order prohibiting Respondents Constitutional Violations and Violations of Corporation Regulations and Compliance Policies as it relates to: SEARCH AND SEIZURE PROTECTIONS IN THE US**

CONSTITUTION FOURTH AMENDMENT; The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated; and no Warrants shall issue but upon probable cause, supported by Oath or affirmation, <https://www.gpo.gov/fdsys/pkg/GPO-CONAN-1992/pdf/GPO-CONAN-1992-10-5.pdf>

- 11. Petitioner seeks an Order reinstating her driver's license as there is no jurisdiction, no notice, and no lawful reason for any suspension. Regional Killer Boyden Gray is using government agencies as revenge for hire entities and the Respondents are effectuating the criminal plan. Please see exhibits 1-10.**
- 12. Petitioner seeks an Order Mandating Respondents prove jurisdiction to suspend Petitioner's driver's license.**
- 13. Petitioner seeks an Order Mandating Respondents to prove why NYS Contract law 6-year Statute of Limitation should not be enforced.**
- 14. Petitioner seeks an Order Prohibiting continued debt collection on this revenge for hire, non-validated, FDCPA violations, no jurisdiction, expired, alleged debt.**
- 15. Petitioner seeks an Order Prohibiting Multiple Agents Exceeding Their Legal Authority.**
- 16. Petitioner seeks an Order Prohibiting driver license suspensions that have no Notice, That Are Arbitrary, Capricious, or an Abuse of Discretion.**
- 17. Petitioner seeks an Order Prohibiting Driver License Suspension Orders that have no signature, no jurisdiction, no affirmation, and are an illusion of law.**
- 18. Petitioner seeks an Order Prohibiting the Respondents from Making Claims That Are Not Supported by Substantial Evidence.**
- 19. Petitioner seeks an Order Prohibiting and penalizing the Respondents for Continued Collusion and Deceit as debt collection. See exhibits 1,14, and 15.**
- 20. Petitioner seeks an Order Mandating Proof of mailing the notices required by law for each alleged driver license suspension order.**
- 21. Petitioner seeks an Order decreeing each driver license suspension Order as void and unenforceable pursuant to GBS § 458-g - Contracts void and unenforceable. The Respondent suspensions do not comply with the applicable provisions of this article and for this reason the suspensions are legally void and unenforceable, as well as, contrary to public policy.**
- 22. Petitioner seeks an Order Repealing all man-made newly created vehicle traffic laws that are inconsistent with the oath, affirmation and warrant requirements**

in the NYS Constitution, as such laws are contrary to public policy.

All laws that obstruct one's safety and violate common law maxims are bad laws that must be repealed.

- 23. The Respondents are harassing and terrorizing the petitioner with a no jurisdiction, over 17-year-old alleged debt, that has no signed assessment, no validation, no affirmation, no signature, no jurisdiction, and under the contract laws of NYS, the statute of limitations have expired. Petitioner seeks an Order stopping this harassment and legal abuse.**
- 24. The respondents are harassing and terrorizing the Petitioner by coming to her home with no consent, authority, and for the purpose to humiliate, and defame. Petitioner seeks an Order stopping this harassment and legal abuse.**
- 25. Petitioner has been harassed and terrorized by 4 previous no jurisdiction Respondent illusion of legality suspension Orders. The Respondents fictitious suspension orders are called illusions of legality because the suspension orders have no signature and no jurisdiction over petitioner. Petitioner was never notified or served any Respondent summons and complaint that could yield a suspension Order. The Respondents ongoing, repetitious, harassing and no jurisdiction suspension Orders have no authority and violate NYS Constitutional laws, as well as obstruct NYS CPLR and FRCP summons, notice and complaint rules.**
- 26. This matter is urgent because the harassment is now terroristic and the potential of the no jurisdiction driver license suspension crimes serve no other purpose but to make way for a eugenic set up enjoining third parties. This ruthless, 17-year-old tax fraud debt collection and driver license suspension newly created program is nothing other than another Regional killer Boyden Gray regional killing/unregulated assassination programming. But God! I have been to over 15 tax people. No tax person has ever heard of this Regional Killer Boyden Gray 17-year-old concocted alleged tax debt and because of the old age of the allegations no tax people can intercept. This entire case is a criminally insane Regional Killer Boyden Gray, envy based, exploitation, set up/concoction and attempted never ending harassment, w covert assassination programming. But God. Please see some of his criminally insane eugenic stalking's and regional killings, in exhibits 1-10. Petitioner seeks an Order of Protection stopping this no jurisdiction driver license suspension and expired alleged tax debt assassination programming. The conflict in law between the NYS Constitution provisions regarding a warrant, oath and affirmation prior to seizure of property and the alleged newly created legislative traffic law, is indicative of Regional Killer Boyden Gray's criminal insanity, embedded in creating a manmade traffic law with intent and set up to usurp authority over the NYS Constitution, for the sole purpose to oppress, set up, and kill, innocent and healthy people.**

27. In addition to Petitioner being criminally forced to have a no jurisdiction, wrongful and malicious suspension on her driver record, Petitioner is being assaulted via Regional Killer Boyden Gray's radiation induced leg disablement injury programming's. But God! Please see: <https://drive.google.com/file/d/0B4GxpI4lqlisMmNxbFJibUxhWVE/view>. These crimes are being committed coupled with the Respondent debt collectors coming to the Petitioner's home because of this tax fraud. Petitioner seeks an Order of protection demanding an investigation into Regional Killer Boyden Gray and his relentless use of government agencies to harm, damage, injure, attempt kill and income lynch Petitioner. Please see exhibits 1-10. Petitioner seeks an Order ending this tax fraud and harassment case as the claims are so old, over 17 years old, and because of the age of this conspired fraud there are no tax people who can resolve this matter.

28. Petitioner needs her valid driver license back to prevent being set up for another police stop for Regional Killer Boyden Gray's retaliation. Please see Regional Killer Boyden Gray's criminal use of the police to harass Petitioner by using his criminally insane fictitious SYNDER name. May 24, 2017, Petitioner wrote a criminal report documenting how Regional Killer Boyden Gray was using radiation to induce injuries, more specific, heart and vascular diseases. Please see the May 24, 2017 Regional Killer Boyden Gray radiation induced injuries report to pastors: <https://drive.google.com/file/d/0B4GxpI4lqlisaUtHQIFrcTR2OGM/view>.

By June 1, 2016, Regional Killer Boyden Gray had a NYC police imposture stop Petitioner and ticket her with Regional Killer Boyden Gray's fictitious SYNDER Coded name as revenge for informing pastors and the public of his induced radiation disablement and injury crimes. Please see Regional Killer Boyden Gray's police SYNDER ticket here page 9: <https://drive.google.com/file/d/0B4GxpI4lqlisQ0g0cUNaanFJcWM/view>. Please see Regional Killer Boyden Gray history of SYNDER Code crime inflictions: https://issuu.com/miriamsnyder/docs/final_lippman_synder_name_crimes_us Petitioner seeks an Order investigating and Prosecuting Respondents and conspirators pursuant to 18 U.S. Code § 249 - HATE CRIME ACTS by targeting and harassing women, crime victims, whistleblowers, people of color, etc.. innocent people for this tax scam, no jurisdiction driver license suspension, induced oppression, eugenic assassination programming plot.

29. Petitioner seeks an Order Prosecuting Respondents and conspirators pursuant to 18 U.S. Code § 2332a - USE OF WEAPONS OF MASS DESTRUCTION by using judicial imposture Respondent Driver License Suspension Orders and tax warrant fraud documents, with no signature or jurisdiction, and other fictional documents as vicious weapons that steal, devour and kill innocent people. The criminal set up for imprisonment and the theft of money is a terroristic act

particularly when it is done in contravention to the Constitutional protection laws and public policy.

30. Petitioner seeks an Order Prosecuting Respondents and conspirators pursuant to 18 U.S. Code § 2339C - PROHIBITIONS AGAINST THE FINANCING OF TERRORISM by directly or indirectly, unlawfully and willfully collecting funds with the intention that such funds be used, or with the knowledge that such funds are to be used, in full or in part, in order to carry out— acts intended to cause death or serious bodily injury to a civilian, when the purpose of such act, by its nature or context, is to intimidate a population.
31. Petitioner seeks an Order Prosecuting Respondents and conspirators pursuant to 18 U.S. Code § 241 - CONSPIRACY AGAINST RIGHTS by conspiring to injure, oppress, threaten, and intimidate Petitioner by criminally seizing her money out of bank accounts and seizing her driver's license in violation of the 4th , 9th , and 14th Constitutional Amendments . They stole her license and money out of banks knowing this was a Regional Killer Boyden Gray revenge for hire law department led tax fraud scam that could not be authenticated by affirmation, oath, and or valid warrant. The criminals deliberately denied her and retaliated against her for exercising her free speech rights to mandate validation, prove of jurisdiction, and authentication of the criminal substitute tax fraud documents. They obstructed her free exercise and enjoyment of rights and privileges secured by the Constitution or laws of the United States, and because of her having so exercised the same.
32. Petitioner seeks an Order to stop Respondents repeated, unauthorized, arbitrary and capricious, no personal jurisdiction, suspension orders pursuant to actions to be dismissed for Respondent repeated Failure to Serve a Complaint pursuant to: CPLR 3012(b).
33. Petitioner seeks an Order mandating the respondents to stop the harassment, to stop filing multiple no personal jurisdiction suspensions on Petitioners driving record.
34. Petitioner seeks an Order mandating the respondents to not act beyond its authority, specifically prosecuting petitioner while not having personal jurisdiction.
35. Petitioner seeks an Order mandating respondents to stop violating [26 CFR §601.106\(f\)\(1\)](#), Taking of property without due process of law.
36. Petitioner seeks an immediate Order removing all fictitious no personal jurisdiction suspension illusions of validity orders off of her driving record because they are based upon the above and below noted multiple errors of law and each one puts and has put petitioner and her elderly mother in preventable harms way.

37. Petitioner seeks an Order for restitution for the incidental, emotional, legal abuse, and harassment, damages the respondent crimes have inflicted on petitioner.

It is further Ordered GRANTING such other and further relief as the Court may deem just and proper.

It is further ORDERED that pending the hearing of this special proceeding and pursuant to section 7805 of the N.Y. Civil Practice Law and Rules, Respondent and all other officers, employees, agents, attorneys and persons working in active concert or participation with Respondents are stayed and prohibited from acting in sabotaging any further Petitioner's GOOD STANDING LICENSE.

It is further ORDERED that service of a copy of this order, together with the papers upon which it is granted, upon both the Respondent and the Attorney General, by mail, on or before _____ and shall be deemed sufficient.

UNFORSEEABLE INJURY DISABLING PETITIONER FROM BEING IN COURT ON
OCTOBER 31, 2016**

Dear Judge Tuitt:

**I write this emergency ORDER TO SHOW CAUSE because my life is being threatened based
on this tax fraud case. Respondent agents are coming to my home to extract money not owed
and I find such life threatening, harassing and terroristic. Please see exhibit 1. This exhibit is a
hand delivered letter to my home. My neighbors informed me that the Respondents put on a
spectacle at my home. They were loud and rude and maliciously left exhibit 1 in the front of
the building in an open space to defame and invade my privacy against this tax fraud.**

Above all, I find the criminally conspired, deceitful, wrongful, no jurisdiction and no due process license suspension life threatening also. I am appealing to the court, to Judge Tuitt, under the Treason charges I filed with her, to stop these Regional Killer Boyden Gray criminally insane, clandestine, conspiracy to murder crimes, criminally enjoining third parties.

Foremost, exhibit 1, you will see, a hand delivered letter to my home from the Respondents office. I do not authorize, consent or approve of the Respondents coming to my home to terrorize and attempt to extract money from me regarding non-validated, non-existent, impossible NYS tax concoctions with no proof of claim and no jurisdiction. An Order of protection is needed because I have told the respondents repeatedly not to communicate with me in any fashion outside of in writing.

The respondents visit to my home was in violation to the FDCPA consumer protections and in violation to NYS General Business Law, Deceptive Practices. The Respondents visit to my home was to invade my privacy and to defame my name based on this fraud.

This was a plotted visit to harm me, just like they can send a police officer to injure, kill, or arrest for this no jurisdiction driver license suspension fraud under your name based on inaccurate information of case dispose/abandonment, when I contacted the court and requested an adjournment in the most humane timely fashion possible. Please see exhibits 12-13.

I am appealing to Judge Tuitt, using my Treason Complaint as the foundation, to stop the conspiracy against rights crimes inflicted and to please correct the record by acknowledging the unforeseeable injury notification and need for adjournment faxes and fax receipts, attached as exhibits 10-13.

Another reason for this emergency Order of protection and the suspension order corrected, is to correct the record, to stop further Regional Killer Boyden Gray criminal use of and pitting the police against me to attempt to silence his regional killings, stalkings and assaults on my life. In Exhibit 2, you will see a SYNDER coded police ticket that was given to me June 2017.

The coded SYNDER name on this police ticket has great significance to the Treason Complaint I wrote you regarding Regional Killer Boyden Gray. He has stalked me using this SYNDER name code over ten times. He has used the SYNDER code to try to kill my father by tampering with and changing the SNYDER injection to a SYNDER injection. Please see exhibit 3. He used the SYNDER name code to stalk me from job to job to court rooms, to the EEOC and other entities. Every time Regional Killer Boyden Gray stalked me with the SYNDER code I was injured, harmed, income lynched and or damaged.

Recently, he had an imposture police give me the attached SYNDER code ticket, in retaliation to filing the below linked criminal report documenting his most recent regional killing project in NYC disseminating radiation into healthy people's homes under the disguise of Con Edison. Please see: <https://drive.google.com/file/d/0B4GxpI4lqlisMmNxbFJibUxhWVE/view> AND OR <https://doc.co/TThAQU>

I cannot afford to have any more of these Regional Killer Boyden Gray stalking's and or police pitting stops, particularly while I am the guardian and driver for my senior mother. This emergency Order of Protection and Order to reinstate my driver's license is needed to not only stop Respondents from coming to my home to terrorize my mother and I, in obstruction to the FDCPA, but, it is needed to correct the record because of deceit inflicted on you, Judge Tuitt, by the hiding of my faxed letter to you explaining why I could not be in court on October 31, 2016 and this letter also requested an adjourned date because I was unable to walk.

My driver's license was suspended because I could not walk. This is not normal. This is not fair. My request for adjournment letter and fax w receipt was hidden from you. The record needs to be corrected because the ramifications from this case dispose/abandonment deceit

makes way for further regional killer Boyden Gray assaults on my life, using the respondents, their unregulated legal abuse and or the police.

The reason for not contacting this office earlier is because I was emotionally paralyzed with the magnitude of deceit inflicted to attempt to make it appear as if I disposed or abandoned this case when I did not. The disregard of the Respondents lack of jurisdiction, and the disregard of my evidence to set me up for a driver license suspension is overwhelming. The disregard of the treason report I submitted was inhumane. Above all, the Regional Killer Boyden Gray radiation weapons being used on me disabled me further and required the below police, governor and to you criminal report. Please read the below linked report:

The petitioner Miriam Snyder respectfully respects an order of protection stopping the respondents from coming to the petitioner's home and from contacting petitioner in any form other than writing. Petitioner seeks an order putting petitioner's license back in good standing until due process and the respondents can prove jurisdiction and proof of claims.

Petitioner is submitting the following documents for the record to show that the alleged suspension of Petitioner's driver's license and disposal of this case was based on deceit, the malicious disregard of Petitioner's fax to the court regarding her inability to walk and the disregard of the petitioner's written, timely, faxed in need for adjournment.

Please see exhibits 10, 11 and 12-13. Exhibit 12 is the fax receipt showing Petitioner's letter was sent and received by the court. Please note this court fax number was used previously by Judge Tuitt's legal aide to change a Judge Tuitt Order date.

Exhibit 13, is the faxed in Petitioner letter which clearly states that an emergency erupted where the Petitioner was unable to walk due to a sprained/twisted ankle. The letter was sent to the court and to Ms. Culley at 6:45 am, prior to the hearing and immediately after becoming injured. Because of the timing of the injury, it was impossible to have a substitute in court advocating for Petitioner, despite efforts to secure one.

I do not believe Judge Tuitt signed an Order Enforcing A no jurisdiction license suspension crimes that further endanger and punish my elderly mother and I, knowing I was injured the day of the hearing and while I requested a rescheduled hearing date due to an unforeseeable injury. I believe my injury letter and request for a rescheduled hearing was hidden from the judge.

To this end, I am resubmitting my injury notification and request for a rescheduled hearing date due to the unforeseen injury. This evidence was disregarded and conveniently and maliciously further damages my elderly mother's right to have a legitimate and safe driver and it attempts to dismantle each meritorious claim embedded in this no jurisdiction, no affidavit,

no warrant, and no due process unconstitutional seizure of one's driver's license, under the disguise of unseen, substitute, statute of limitation expired tax claims.

I do not understand how anybody can advance this Respondent deadly, no jurisdiction, no standing, no affidavit, third party debt collection, hearsay license suspension program, under the disguise of an alleged tax debt that has no signed or valid assessment or affidavit.

My good standing license is being lawlessly and repeatedly targeted, exploited, and suspended using satanic stratagems embedded in deceit. These criminal acts obstruct constitutional protections rooted in liberty and property rights. The no due process, lawless, and criminal Respondent license suspension program is administered as a whistleblower vengeance tool with capacity to covertly kill, as stated and detailed in each document and exhibit I have filed in this case. I have come to the courts for the dismantling of these deadly crimes on behalf of public safety and consumer protections.

Petitioner is requesting an Order of protection and Order of License restoration with no suspension period in the furtherance of justice and because I, the petitioner did all that was humanely possible to Notify the Respondents and Judge Tuitt of the unforeseen injury that disabled and disallowed me from being in court one time, on October 31, 2016.

There is no lawful reason for the disregard of the facts, for disregard of the Regional Killer Boyden Gray unregulated assaults on my life using law departments, the unforeseen injuries, Petitioner's evidence, and to advance the wrongful suspension of good standing driver licenses, which pit police against innocent people, and facilitate eugenic killings.

This matter was brought to court because of the deadly impact these crimes inflict on innocent people. There is no rational or lawful reason for repeated lawless and criminal conspiracy against rights driver license suspensions with no jurisdiction, no supporting affidavit anywhere, no court, no seal, no authentication, and no standing, yet these unsigned judicial imposture suspension documents are being overlooked because the petitioner twisted her ankle, and notified the respondents and the court.

The Respondent acts are criminal, do not belong associated with the NYS Attorney General's office or the courts. The NYS Department of Motor Vehicle is exploiting, harming and eugenically killing innocent people using this unconstitutional, obstruction of liberty, property, and due process rights criminal NYS driver license seizure program.

On behalf of public safety, the courts have a duty to stop these crimes and not advance them. For this reason, I am appealing to Judge Tuitt to sign an Order of Protection to Stop the Respondents life threatening debt collection tactics, including stopping Respondents from coming to my home to terrorize and extract money not owed and banning all the Respondent malicious, no jurisdiction, driver license suspensions, until due process is administered.

An Order of protection to stop Respondents egregious debt collection practices must be executed as soon as possible on behalf of public safety and to stop driver license suspensions which obstruct the NYS Constitution Section 12, and CPLR 2219.

The respondent's actions are life threatening, conspiratorial, deadly, and obstruct CPLR sections 3212, 3215, and 4518 business records. Additionally, the Respondents driver license suspension program obstructs all aspects of due process, including evidence protections in the Federal Rules of Civil Procedure 56c, evidence rule 106, 601, 602, 603,803b5, and the authentication rules in 901(a).

The petitioner's verified complaint, my treason report, notices, motions, and my letter and fax receipts to this office and the court dated October 31,2016 exemplify the need for a Protection Order and an Order to restore my license because of the unforeseen injury and to stop the lawless,

abuse of power, malicious, no jurisdiction, no standing, no affidavit, driver license suspension satanic dictates. On behalf of public safety, the enforcement of justice, and due process laws, the restoration of my driver's license is needed for the below reasons:

1. MERITORIOUS CAUSE OF ACTION
2. REASONABLE EXCUSE FOR TIMELY RESTORE
3. LACK OF INTENT TO ABANDON THE MATTER
4. LACK OF PREJUDICE TO THE OPPOSING PARTY
5. THERE IS NO NOTICE PRIOR TO THE CASE DISPOSE ADDITIONAL MALICIOUS UNCONSTITUTIONAL LICENSE SUSPENSION

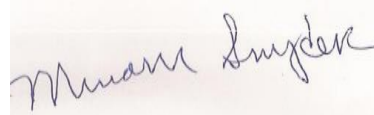

Petitioner objects to the continued abuse of power and use of governance offices to advance the criminal, and deadly conspiracy against rights, seizure of one's good standing driver's license, while there is no Respondent jurisdiction, no Respondent court complaint, no Respondent summons, and no Respondent name on seizure documents. The seizing of one's liberty and property rights, specifically, suspending lawful driver licenses using an imaginary person, documents with no signatures, alleged orders with no jurisdiction and no affidavit and denying innocent people due process, is a satanic scheme to defraud from the pit of hell, that needs to be stopped. To this end, in good faith, I ask that my good standing driver license be restored immediately and the order of protection signed, as such will damage schemes to defraud and dismantle retaliation crimes.

In closing, Petitioner hereby invokes her disability right to have a disability advocate intervene in this matter so that she is not denied access to the State's courts in violation of Title II of the Americans with Disabilities Act of 1990 (ADA), which provides: "[N]o qualified individual with a disability shall, by reason of such disability, be excluded from participation or denied the benefits of the services, programs or activities of a public entity," 42 U. S. C. §12132. Plaintiff prays and hopes and trusts that this Court would never expect Plaintiff, who is indigent, through no fault of her own, to have the resources to pay for the court costs.

It is my prayer that Judge Tuitt will stop these criminal debt collection crimes embedded in a satanically masterminded conspiracy against rights and scheme to defraud. I have attached ____ exhibits. Thank you for your time and urgent public safety, professional, humanitarian, and consumer protection attention to this matter.

1. I, Miriam Snyder being duly sworn, depose and say:
2. I am the petitioner in the above entitled proceeding and attest under the laws of this country that each statement in this emergency order of protection, this affidavit and the petitioners verified petition, is true, accurate and based on my personal knowledge and experience.
3. I write this affidavit in support of Petitioner's proposed Order of Protection and in support of Petitioner's Article 78 of the Civil Practice law and rules which challenge the Respondents no jurisdiction, no affidavit, no complaint, no summons, no authority, invalid, malicious, and repeated driver license suspension Orders, suspending Petitioner's license without jurisdiction.
4. The Respondents repeated fictitious suspension Orders obstructed and were made in violation of lawful procedure embedded in the NYS Constitution due process clauses, NYS CPLR and the FRCP.
5. The Respondents repeated fictitious suspensions are arbitrary and capricious in that there are no procedural laws that allow an agency or entity to initiate litigation via a Court Order, like Respondents have done.

BRONX SUPREME COURT
2017 JUN 16 PM 4:52

6. The Respondents repetitious lawless driver license suspensions with no jurisdiction exemplify an abuse of discretion, with incalculable penalties, including setting one up for false imprisonment based on the false instrument filing of Suspension Orders that are invalid and not supported by lawful procedures or law.
7. Petitioner has filed her Prohibition writ to prohibit the Respondents from proceeding and continuing to create and use invalid driver license suspension orders without jurisdiction pursuant to CPLR 7803 [2]). The purpose of this Article 78 proceeding is to prohibit the respondents from harassing petitioner with no jurisdiction fictitious court orders, that have no summons, complaint, affidavit or validity.
8. Petitioner seeks to proceed by Emergency Order of Protection rather than by Notice of Petitioner due to the urgency of this matter. Petitioner's license record must be corrected because she is the driver of her elderly mother and safe transportation, free from unwarranted police contact or induced trauma, is required.
9. Regional Killer Boyden Gray is trying to kill and injure Miriam Snyder and is using the Respondents and third party enjoinders to invoke his plots under the guise of the Respondents unconstitutional, no jurisdiction, abuse of authority, license suspension program based on non-validated tax concoctions. This is a covert assassination and induce injury eugenic program that has no productive purpose or place on this earth. An Order of Protection is warranted and needed. Please see the exhibits.

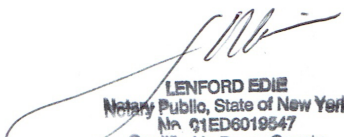

AFFIDAVIT

I, Miriam Snyder hereby state under the laws of this country that the above statements in this Proposed Order of Protection and the Exhibits, are true, and correct. I hereby further state that the basis of these statements is my own direct knowledge, experience, and historical facts involved. This affidavit and my signature verifies the truth in my sworn statements. All my statements are true and correct.
